Little Peanuts Early Learning Centre has a FACEBOOK page and WEBSITE.

We use these sites to share special information with families and the community. The information ranges from interesting articles to what is happening in your child's/children's room and any upcoming events.

From time to time we may want to add a photo of your children enjoying special moments and fun activities. This allows families to see their child at play and also raise awareness of what our Centre may offer to other parents looking for care in the community.

In order for us to do this we need your permission to place photos of your child on the sites. Please complete the form below.

Thankyou!
